Oral Healthcare Can't Wait™

Patient Brochure

Print, fold in three sections so that, when opened, three panels are displayed, and prominently display several brochures in your practice's waiting room.

Customize this brochure by adding your practice's logo and contact information where indicated on the lower left corner of the back panel.

Brochure mailing instructions: If you would like to mail brochures to your patient base, or to prospects, you will need to add the relevant information as indicated on this back panel, in addition to your practice's logo in the lower left corner.
